mistreatment of aliens in america looks at the political struggle for justice as seen by a migrant from west africa

in this hard hitting collection acclaimed author nigel cawthorne examines ten of the most sickeningly twisted men who are still alive today some of them like serial killer dennis nilsen and cult leader charles manson are thankfully behind bars others including the world s most wanted terrorist osama bin laden are still at large unbelievably one of them robert mugabe is still clinging to the reins of power and continues to inflict suffering and economic mayhem on the desperate people of zimbabwe inside this book is the gut twisting story of charles taylor the blood soaked african general who has recruited thousands of child soldiers and one of the most shocking cases of recent years that of josef fritzl the austrian man who imprisoned and sexually abused his own daughter for almost a quarter of a century this collection is a terrifying reminder that monsters really do exist

geography studies the relationship of humans and the natural environment and these 40 essays examine those geographical events that have most profoundly shaped global society in the opening decades of the 21st century explore how these events have transformed how people interact with the environment from political and economic issues such as elections market practices and war to cultural and social issues such as racism and gender stereotyping at work landscapes regions cities nature society development our entire existence is tied up with space and geography and thus geography is well placed to provide important insights and perspectives on the complex events and issues of our time geography in the 21st century studies the world s rapidly changing environments and its shifting economic political and cultural landscapes the entries address social political economic and environmental events from the arab spring movements to the mexico border crisis in the usa that are often complex transnational and interrelated clear explanations help readers understand the historical and geographical continuity

and confluence that underlie these defining moments all chapters follow the same structure to provide consistency throughout and allow students to compare multiple events each begins with an overview of the event followed by a background section that describes the historical and geographic context within which the event occurred then a section on social political economic and environmental impacts that describes the results of the event and a section that analyzes the event from a spatial or geographic perspective and explains why it is important each chapter also includes a list of references and sources for further reading and a sidebar on a related topic

delinquency in society tenth edition provides a comprehensive and systematic overview of juvenile delinquency criminal behavior and status offending youths

the print edition is available as a set of two volumes 9789041103024

whether you were expecting it or not news of your child s arrest can be extraordinarily difficult in that moment of blurred emotions it s not easy to think clearly or understand what will happen next this booklet walks you step by step through the process sharing stories of pain and healing from other parents who have traveled the same road not only will you get a sense of what to expect from the legal system you ll find information on what your child may experience while being detained discover how you can participate in the process and become your son or daughter s best advocate during and after confinement

hooyman and kramer s starting point is that loss comes in many forms and can include not only suffering the death of a person one loves but also giving birth to a child with disabilities living with chronic illness or being abused assaulted or otherwise traumatized they approach loss from the perspective of the resilience model which acknowledges the capacity of people to integrate loss into their lives and write sensitively about the role of age race culture sexual orientation gender and spirituality in a person s response to loss from publisher information
