totally absorbing and highly readable account of a remarkable life genuinely revelatory the times a colossal book about a colossal life a spectacular journey across the entire twentieth century daily mail written with complete access to the queen mother s personal letters and diaries william shawcross s riveting biography is the truly definitive account of this remarkable woman whose life spanned the twentieth century elizabeth angela marguerite bowes lyon the youngest daughter of the earl of strathmore was born on 4 august 1900 drawing on her private correspondence and other unpublished material from the royal archives queen elizabeth the queen mother vividly reveals the witty girl who endeared herself to soldiers convalescing at glamis in the first world war the assured young duchess of york the queen at last feeling able to look the east end in the face at the height of the blitz the queen mother representing the nation at home and abroad throughout her long widowhood this splendid biography captures something of the warm glow that she brought to every event and encounter it also reveals a deeper and more interesting character forged by good sense love of country duty humour and an instinct for what is right this is a wonderful book authoritative frank and entertaining daily telegraph

elizabeth i acceded to the throne in 1558 restoring the protestant faith to england at the heart of the new queen s court lay elizabeth s bedchamber closely guarded by the favoured women who helped her dress looked after her jewels and shared her bed elizabeth s private life was of public political concern her bedfellows were witnesses to the face and body beneath the make up and elaborate clothes as well as to rumoured illicit dalliances with such figures as robert dudley their presence was for security as well as propriety as the kingdom was haunted by fears of assassination plots and other catholic subterfuge for such was the significance of the queen s body it represented the very state itself this riveting revealing history of the politics of intimacy uncovers the feminized world of the elizabethan court between the scandal and intrigue the women who attended the queen were the guardians of the truth about her health chastity and fertility their stories offer extraordinary insight into the daily life of the elizabethans the fragility of royal favour and the price of disloyalty

this book studies women s language use in bilingual or multi lingual cultural situations the authors social anthropologists language teachers and interpreters cover a wide variety

of geographical and linguistic situations from the death of gaelic in the outer hebrides to the use of spanish by quechua and aymara women in the andes certain common themes emerge dominant and sub dominant languages women s use of them ambivalent attitudes towards women as translators interpreters and writers in english as a second language and the critical role of women in the survival or death of minority languages such as gaelic and breton

this provocative book seeks to redress inaccuracies in western perceptions of gender relations in southeast asia by bringing to the fore the area s ethnic and cultural variance and showing how women and men explain the informal and psychological dimensions of relationships as vital in holding family neighbourhood and kinship ties together although there are differences between male and female perceptions of sex roles in society women perceive their situation as disadvantaged rather than less significant male female interpretations of power and status tend to converge usually towards the understanding that the contributions of men and women are equally important in the formation of family and society

established in 1911 the rotarian is the official magazine of rotary international and is circulated worldwide each issue contains feature articles columns and departments about or of interest to rotarians seventeen nobel prize winners and 19 pulitzer prize winners from mahatma ghandi to kurt vonnegut jr have written for the magazine

this study examines representations of early modern female consorts and regnants via extra literary emblematics such as paintings jewelry miniature portraits carvings placards masques funerary monuments and imprese

how effective is western aid agency intervention in africa what can african women do to manage the aids crisis can western feminist theory be applied to the rural african context these vital issues and many others are considered in this topical book by eminent scholars and development consultants the book aims to increase awareness of the importance of women agricultural producers to african material development and to expose the western biases that have traditionally pervaded the study of rural african women the authors critical analyses of conventional research methodology and key women and development debates over the last three decades will stimulate new research perspectives students and scholars of development development workers and policymakers will all find this book fascinating reading

this volume counters the prevailing western views and stereotypes of muslim women usually projected through male interpretations by presenting a cross cultural perspective of their experiences and choices in contemporary muslim communities the main theme running through these papers is the manner in which muslim women consciously as well as unconsciously manipulate religious belief to negotiate their gender roles within the context of their lives

the shakespearean plays contain a stunning breadth and depth of knowledge about english history european royal history classical and contemporary literature and about the complex relationships between the various royal courts of the day authorship by the elizabethan court is therefore discernible based on content alone that is by what the plays revealed and just as importantly what they threatened to reveal about international royal affairs if the will of elizabeth was not respected one of the most significant and surprising functions of the plays was to act as a type of defense program for queen elizabeth's throne against her european rivals however the plays also served to instill solidarity in the members of the elizabethan court and to inspire the english people as well the plays accomplished all of this without coming across as overly pedantic they were not merely great works of literature but a brilliant expression of elizabethan foreign and domestic policy the story of shakespeare turns out to be the story of don juan of austria from his princely

legitimization as a boy to liaisons with royals ladies from his teens to being hailed at the age of 24 as savior of europe at the battle of lepanto 1571 to his suppression by jealous males of the habsburg royal family 1578 and to his rehab by queen elizabeth under the english identity of george carey as george carey don juan had been present at the christening of his true son king james in scotland 1566 and in command of the strategic isle of wight during the invasion of the spanish armada 1588 he was intimately involved in the founding of the shakespeare company both before and after becoming queen elizabeth s lord chamberlain the rise fall and rising again of this international man of mystery was the central theme of the shakespeare plays he and queen elizabeth appear again and again in the plays and under such character names as claudio and isabella in measure for measure claudio and hero in much ado about nothing claudius and gertrude in hamlet bassanio and portia in the merchant of venice duke theseus and hippolyta in a midsummer night s dream petruchio and kate in the taming of the shrew and even falstaff and mistress quickly of the henry iv plays don juan was the love of queen elizabeth s life and she found a way to keep him near together they not only founded the stuart dynasty but became the progenitors of future generations of european royalty

with over 260 images this is a highly illustrated history of the ships and operations of the royal navy during the reign of the late queen elizabeth ii during the 70 years spanned by the reign of the late queen elizabeth ii the royal navy changed out of all recognition its status as a superpower navy with worldwide bases and operations has been eclipsed but it remains a powerful force because of its potency if not its size maritime history author paul brown takes us through each decade in turn outlining the key events and developments and charting the changes to the size structure and capabilities of the navy fully illustrated with over 260 colour and black and white images this book also provides a stunning visual record of the ships and operations that featured most prominently in each decade

the dawn of humanism in the renaissance presented privileged women with great opportunities for personal and intellectual growth sexual and social roles still determined the extent to which a woman could pursue education and intellectual accomplishment but it was possible through the composition of poetry or prose to temporarily offset hierarchies of gender to become equal to men in the act of creation edited by katharina m wilson this anthology introduces the works of twenty five women writers of the renaissance and reformation among them marie dentièrre a swiss evangelical reformer whose writings were so successful they were banned during her lifetime gaspara stampa a cultivated courtesan of venetian aristocratic circles who wrote lyric poetry that has earned her comparisons to michelangelo and tasso hélisenne de crenne a french aristocrat who embodied the true spirit of the renaissance feminist writing both as novelist and as champion of her sex helene kottanner austrian chambermaid to queen elizabeth of hungary whose memoirs recall her daring theft of the holy crown of saint stephen for her esteemed mistress and lady mary sidney wroth the first englishwoman known to write a full length work of fiction and compose a significant body of secular poetry offering a seldom seen counterpoint to literature written by men women writers of the renaissance and reformation presents prose and poetry that have never before appeared in english as well as writings that have rarely been available to the nonspecialist the women whose writings are included here are united by a keen awareness of the social limitations placed upon their creative potential of the strained relationship between their gender and their work this concern invests their writings with a distinctive voice one that carries the echoes of a male aesthetic while boldly declaring battle against it

british kings and queens are famous today but many heirs to the british throne never became the actual king or queen due to various quirks of fate this is their story the stories

include the oldest son of william the conqueror who lost the chance to become king because he was off fighting in the first crusade the white ship disaster of 1120 england s medieval titanic in which the sole male heir to the throne and many others drowned an intrepid woman who nearly became queen in her own right four centuries before a woman actually did so two princes who should have become a second king arthur the romantic warrior known to history as the black prince the princes in the tower who were supposedly murdered by king richard iii the ill fated mary queen of scots beheaded by queen elizabeth i after an utterly unfair trial james who was born the heir and then was overthrown while still a baby and was later known as the old pretender a beloved nineteenth century princess who tragically died in childbirth at the age of 21 and many more who suspected that the heirs who never reigned are every bit as interesting as those who did reign

in the complete works of william shakespeare readers are presented with a comprehensive collection of the esteemed author s plays sonnets and poems shakespeare s literary style is characterized by its rich language complex characters and timeless themes of love betrayal and power his works are often studied for their deep insights into human nature and societal issues making them essential pieces of literature in the english canon the inclusion of all his pieces provides readers with a holistic view of shakespeare s writing evolution and showcases his mastery of diverse genres shakespeare s versatile writing spans from tragedies like hamlet to comedies like a midsummer night s dream providing readers with a range of emotions and themes to explore scholars often analyze his works in historical political and psychological contexts to uncover the underlying meanings and messages within his texts the depth and breadth of the complete works of william shakespeare make it a must read for anyone interested in classic literature and the complexities of human experience

this book traces the history of english law and government for fourteen centuries from the withdrawal of roman legions from britannia to separation of englands new world colonies and the ratification of the constitution of the united states the governments of the united states and great britain although separate now for over two centuries share a deep common heritage the starting point for american legal history goes back to the roots of english common law this narrative follows the evolution of anglo american common law the chapters are arranged as a collection of brief biographies that credit in chronological order the individuals whose contributions to law and justice helped to create the tranquil civil world most of us enjoy today the model for english colonial government in the new world was the common law that had evolved over centuries in england in much of history laws were created to protect the wealth and power of those who enjoyed social privilege gradually equity and justice in the protection of basic human rights of common mankind became compelling concerns of law and government slowly even the rights of minorities whose members differed from the mainstream in language religion culture and ethnicity became a concern of justice each upward step in legal equity has been a move from injustice to a little less injustice the evolutionary path toward greater justice has had its ups and downs reverses in justice occurred with the anglo saxon invasion after the fall of ancient rome with the norman conquest of 1066 in the wars of the roses and in the vain self serving reign of henry viii periods of notable advance in the history of law came with personal contributions of alfred the great henry plantagenet simon de montfort edward longshanks good queen bess thomas egerton edward coke oliver cromwell and founding fathers of the united states constitution all these events are revisited the author has expressed original opinions and explanations of the record that will disagree in some instances from interpretations of these events here by others the author hopes that this

informal telling of a story will contribute to an appreciation that living today in an enlightened time that aspires to provide equal justice for all under common law is far superior to tribal life in a far distant dark ages when might made right and getting even was the accepted goal of justice by tribal barbarians h eugene lehman chapel hill nc usa 2014

shakespeare is the most critically acclaimed playwright of all time so why is he so hard to understand this massive anthology of shakespeare s histories will give you a new appreciation of william shakespeare by putting each of his history plays in plain and simple english included in this anthology king john richard ii henry iv part 1 henry iv part 2 henry v henry vi part 1 henry vi part 2 henry vi part richard iii henry viii the original text is also presented in the book along with a comparable version of both text the books may also be purchased separately we all need refreshers every now and then whether you are a student trying to cram for that big final or someone just trying to understand a book more bookcaps can help we are a small but growing company and are adding titles every month

this bundle presents doug lennox s popular trivia book series in its entirety these books will provide years and years of fun with countless questions to be asked and tons of knowledge to be learned the books cover general trivia but also such topics as sports baseball hockey football golf soccer among others christmas and the bible disasters and harsh weather royal figures crime and criminology important people in canada s history and so much more along the way we find out the answers to such questions as why do the british drive on the left and north americans on the right what football team was named after a burt reynolds character who started the first forensics laboratory which member of the british royal family competed at the olympics lennox s exhaustive series is fun for all ages includes now you know now you know more now you know almost everything now you know volume 4 now you know big book of answers now you know christmas now you know big book of answers 2 now you know golf now you know hockey now you know soccer now you know football now you know big book of sports now you know baseball now you know crime scenes now you know extreme weather now you know disasters now you know pirates now you know royalty now you know canada s heroes now you know the bible

and depth of his creative genius whether you are a seasoned shakespeare enthusiast or a newcomer to his works this collection is sure to captivate and inspire you with its timeless themes compelling characters and exquisite poetry

in recent years new schools of historiography and criticism have recast the political and cultural histories of elizabethan and early stuart england however for all the benefits of their insights most revisionist historians have too narrowly focussed on high politics to the neglect of values and ideology and new historicist literary scholars have displayed an insufficient grasp of chronology and historical context the contributors to this pioneering volume richly fusing these approaches apply a revisionist close attention to moments to the wide range of texts verbal and visual that critics have begun to read as representations of power and politics excitingly broadening the range of areas and evidence for the study of politics these outstanding essays demonstrate how the study of high culture classical translations court portraits royal palaces the conduct of chivalric ceremony and low culture cheap pamphlets and scurrilous verses enable us to reconstruct the languages through which contemporaries interpreted their political environment the volume posits a reconsideration of the traditional antithetical concepts court and country verbal and visual critical and complimentary elite and popular examines the constructions of a moral and social order enacted in a wide variety of cultural practices and demonstrates how common vocabularies could in changed circumstances be combined and deployed to sustain quite different ideological positions this book opens a new agenda for the study of the politics of culture and the culture of politics in early modern england publisher s website
