international courts use two key methodologies to determine the degree of deference granted to states in their implementation of international obligations the standard of review and margin of appreciation this book investigates how these doctrines are applied in international courts analysing where their approaches converge and diverge

this book addresses the basic theory of criminal procedure in china together with recent reforms balancing the powers of public security and judicial organs with the rights of individual citizens it assesses the nature of chinese criminal proceedings in the basic theoretical research section the author drawing on the latest findings from the legal community systematically and comprehensively presents the current trends main research topics and the main problems that should be explored in future research into criminal procedure law in china further the author explains the basic thinking behind the revision of criminal procedure law and the allocation of judicial resources in criminal procedure and criminal justice the policy basic theory and operation problems of judicial power procuratorial power police power defense power and judicial reform are subsequently explained and evaluated the general writing style used is intentionally straightforward making the book easily accessible for the readers based on the author s substantial working experience in the area of criminal law it offers a highly intuitive reading experience

reprint of the original first published in 1871

complete with headnotes summaries of decisions statements of cases points and authorities of counsel annotations tables and parallel references

international organizations are increasingly operating across borders and engaging in legal transactions in virtually all jurisdictions this makes familiarity with the applicable law and practice imperative for both international organizations and those who engage in legal relations with them furthermore the issue of whether how and to what extent domestic courts take into account decisions of foreign and international courts and tribunals in their own decision making has become increasingly important in recent years this book provides a comprehensive empirical study of this transnational judicial dialogue focusing on the law and practice of domestic jurisdictions concerning the legal personality privileges and immunities of international organizations it presents a selection of detailed country by country studies examining the manner of judicial dialogue across domestic jurisdictions and between national and international courts the approach taken in this book intersects with

three highly topical areas of international legal scholarship the rapidly evolving law of international institutions the burgeoning research into the role of domestic courts in the international legal system and the recent rise of empirically oriented legal scholarship utilizing our s international law in domestic courts database the book presents analysis of little known cases which have real international significance illustrating the impact and extent of transnational judicial dialogue in the international legal system the book provides important perspectives on the evolution and status of the law of immunity of international organizations and contributes to the understanding of relationships between national courts and between national and international courts
