a pastor and his wife are the main characters in this deftly written novel

which shows how verbal and emotional abuse destroys a woman's belief in her own abilities. The widow of Rose House is close to perfection and any lover of historical romance will adore this debut. Smart bitches trashy books it's 1875 and Alva Webster is ready for a fresh start after three years of being pilloried in the presses for fleeing her abusive husband. His sudden death allows her to return to New York where she is determined to restore a dilapidated Hyde Park mansion and hopefully her reputation. At the same time she is decidedly not supposed to fall in love but when a haunting at her new home threatens her careful plans she must

seek help from the eccentric and brilliant and much to her dismay very handsome professor Samuel Moore. Alva doesn't need more complications in her life especially not a convention flouting scandal raising one like Sam. Unfortunately Sam is the only one who can help together the two delve into the tragic secrets wreathing Alva's new home while Sam attempts to unlock Alva's history and her heart set during the Gilded Age in New York City. The widow of Rose House is a gorgeously romantic debut by Diana Biller with an intrepid and resilient American heroine guaranteed to delight readers as she starts over and finds true love

a chemistry fueled debut with a bit of a ghost story great for readers of gothic romance booklist. Biller mirrors Wharton's genius for revealing the emotional gold lying beneath the gilded age which motivates the novel's massive romantic turmoil. Bookpage most anticipated romances

an absorbing first hand account of living with bears from the acclaimed author of the spirit bear to many people grizzlies are symbols of power and ferocity creatures to be feared and too often killed but charlie russell who has had a forty year relationship with bears holds the controversial belief that it is possible to live with and truly understand bears in the wild and for five years now russell and his partner artist and photographer maureen

Enns have spent summers on the Kamchatka peninsula located on the northeast coast of Russia and home of the densest population of brown bears in the world. Grizzly Heart tells the remarkable story of how Russell and Enns have defied the preconceptions of wildlife officials and the general public by living unthreatened and respected among the grizzlies of Kamchatka in an honest and immediate style. Russell tells of the trials and successes of their years in the field from convincing Russian officials to allow them to study to adopting three bear cubs left orphaned when their mother was killed by a hunter and teaching these cubs how to survive in the wild to raising environmental awareness through art through a combination of careful study and personal dedication. Russell and Enns are persuading people to reconsider the age-old image of the grizzly bear as a ferocious man-eater and perpetual threat through their actions they demonstrate that it is possible to forge a mutually respectful relationship with these majestic giants and provide compelling reasons for altering our culture. We have been able to live beautifully with these animals with no serious threat because of what we've learned. Hopefully sharing what we learn will help people and be a big help to our

vampires lycanthropes golems and other creatures who make up 99 of the population these are the characters who fill fbi profiler jace valchek's days and just when she thinks life is

starting to seem normal  
jace finds herself in a  
whole new world of  
trouble another work day  
another case for the  
bloodhound files but this  
time jace is truly  
stumped how is she a  
mere human supposed to  
penetrate the dark heart  
of a child trafficking ring  
of pire orphans one that  
turns out to be part of a  
blood farm operation in  
the crime ridden border  
city of vancouver british  
columbia jace is in over  
her head but with the  
help of her former lover  
tanaka whose family is  
one of the last samurai  
clans left in japan she  
stands a chance at  
seeking justice for the  
condemned children until  
the yakuza tries to put an  
end to jace s  
investigation jace risks

more than death this  
time it s the fate of her  
very soul that s in danger  
1648 civil war is  
devastating england the  
privileged world of  
katherine ferrers is  
crumbling under cromwell  
s army and as an  
orphaned heiress she has  
no choice but to marry  
for the sake of family but  
as her marriage turns  
into a prison and her  
fortune is forfeit katherine  
becomes increasingly  
desperate so when she  
meets a man who shows  
her a way out she seizes  
the chance it is  
dangerous and brutal and  
she knows if they re  
caught there s only one  
way it can end the  
mystery of lady katherine  
ferrers legendary  
highwaywoman has  
captured the collective

imagination of  
generations now based  
on the real woman the  
original wicked lady is  
brought gloriously to life  
in this tale of infatuation  
betrayal and survival  
welcome to hollowmore  
hope you survive your  
stay my name is thea  
and i m a bounty hunter  
my father rules a  
powerful shifter clan in  
the magical city of  
hollowmore i was  
supposed to follow in his  
footsteps but i turned my  
back on that life now in a  
city filled with deadly  
monsters i take on the  
threats no one else can  
handle marcus was just  
another bounty until i  
discovered he s a dragon  
shifter dragons are  
supposed to be extinct  
and if his secret is  
revealed his whole clan

could be wiped out i don t need that kind of trouble but one look at marcus s broad shoulders and smoldering eyes makes him kind of hard to ignore he s also my only ally when a mysterious organization starts targeting shifters with the clans at each other s throats only an outsider like me has a shot at finding the truth it ll trigger a firestorm of fury for me and everyone i love but i don t scare easy and my enemies are about to find out how dangerous a cornered monster hunter and a dragon can be this digital boxed set contains books 1 3 of the thea grove vampire hunter series

research on nominalization a process that gives rise to referring expressions has always played a central role in linguistic investigations over the years there has also been growing evidence that nominalization constructions often extend to non referential domains they participate in noun modifying expressions e g genitive and relative clauses and subordinate clauses and topic constructions finite structures with the nominalizers reanalyzed as tam markers and stance constructions with evaluative attitudinal evidential and epistemic overtones this volume brings together historical and crosslinguistic evidence from more than 20 different languages representing six different language families spanning the asian continent and the pacific and indian oceans to elucidate the strategies and grammaticalization pathways that give rise to both referential and non referential uses of nominalization constructions this collection highlights the diversity of strategies and at the same time the robust cyclical nature of change within and across languages the combined diachronic and typological analyses in this volume are particularly valuable for linguistic research on diachronic morphosyntax and linguistic universals and are also an important supplementary cross referencing tool for linguistic investigations of versatile and ubiquitous morphemes in under

documented languages  
my name is thea and i m  
a monster hunter or a  
monster depending on  
who you ask someone is  
hunting the shifters of  
hollowmore and i m the  
only one that can stop  
the killing my name is  
thea monster hunter  
daughter of the most  
powerful arcanshifter and  
since leaving my clan the  
ultimate outsider my only  
ally marcus is even more  
of an outsider than me if  
anyone learns he s a  
dragon shifter the  
tattered remains of his  
clan will be wiped out  
the last thing he wants is  
to risk exposure by  
helping me the last thing  
i want is trouble with  
dragons or the distraction  
of his smoldering eyes  
but a young dragon  
shifter is one of the

latest victims so marcus  
is involved whether he  
likes it or not i guess we  
re working together this  
should be interesting  
from the secret councils  
of the shifter clans to the  
slums of goblin town i ll  
turn over every rock in  
hollowmore if i have to  
someone is killing my  
people and when i find  
them i m going to make  
them pay

from the author of  
skipjack the melting  
world comes a mystery  
the curious boom in  
america s beloved lobster  
industry and its probable  
crash maine lobstermen  
have happened upon a  
bonanza along their  
rugged picturesque coast  
for the past five years  
the lobster population  
along the coast of maine  
has boomed resulting in

a lobster harvest six  
times the size of the  
record catch from the  
1980s an event unheard  
of in fisheries in a  
detective story scientists  
and fishermen explore  
various theories for the  
glut leading contenders  
are a sudden lack of  
predators and a recent  
wedge of warming  
waters which may disrupt  
the reproductive cycle a  
consequence of climate  
change christopher white  
s the last lobster follows  
three lobster captains  
frank jason and julie one  
the few female skippers  
in maine as they haul  
and set thousands of  
traps unexpectedly boom  
may turn to bust as the  
captains must fight a  
warming ocean volatile  
prices and rough weather  
to keep their livelihood

afloat the three captains work longer hours trying to make up in volume what they lack in price as a result there are 3 million lobster traps on the bottom of the gulf of maine while frank jason and others call for a reduction of traps which may boost prices the maine lobstering towns are among the first american communities to confront global warming and the survival of the maine coast depends upon their efforts it may be an uphill battle to create a sustainable catch as high temperatures are already displacing lobsters northward toward canadian waters out of reach of american fishermen the last lobster may be just ahead
