Military Assistance on Request and the Use of Force

The Political Ideology of Ayatollah Khamenei

Perspectives on Iran-Iraq Conflict

The Economist

Aurel Braun Erika De Wet Yvette Hovsepian-Bearce R. C. Sharma

this book emphasizes the vital links between international politics and strategy and provides a comprehensive analysis of strategic interests of the major international actors in the middle east it contends that the policies of the superpowers toward the

middle east are fragmented and unproductive

in countries such as syria iraq south sudan and yemen internationally recognized governments embroiled in protracted armed conflicts and with very little control over their territory have requested direct military assistance from other states these requests are often accepted by the other states despite the circumvention of the united nations security council and extensive violation of international humanitarian law and human rights in this book erika de wet examines the authority entitled to extend a request for or consent to direct military assistance as well as the type of situations during which such assistance may be requested notably whether it may be requested during a civil war ultimately de wet addresses the question of if and to what

extent the proliferation of military assistance on the request of a recognized government is changing the rules in international law applying to the use of force

ayatollah 'ali hosseini khamenei supreme leader of the islamic republic of iran is one of the most controversial and influential muslim leaders in the world today as iran s main decision maker his theocratic ideology and decisions carry global consequences the political ideology of ayatollah khamenei is the first book to identify and analyze the development and evolution of the theocratic ideology of the supreme leader from 1962 to 2014 using his own writings speeches and biographies as well as literature published in the islamic republic of iran this work provides new insights into khamenei s political thought and behavior and their impact on iran s

domestic regional and international policies correlating the development of khamenei s personality character and political behavior with iran s internal and external challenges this study explores key issues of the middle east region in particular iran s political posture toward israel the united states and the muslim world and the diplomatic crises unfolding over iran s nuclear development program this work provides a comprehensive chronological and thematic survey of khamenei s life this book will be of interest to students scholars researchers diplomats and policymakers focusing on middle eastern politics iranian affairs islamic studies and international relations and could serve as an essential resource for those striving to understand iran s policies toward israel the united states and the muslim world as shaped by its supreme autocrat
