a first hand account of a society mobilized from below at a critical time in its history how the workers parliaments saved the cuban revolution brings us to the heart of one of the most precarious and transformational moments in cuba s evolution as the soviet union fell to pieces in the 1990s cuba managed to evade the fate of its primary trading ally how was this possible especially as cuba endured relentless attacks from the capitalist behemoth directly to its north as the gdp plunged by over a third and the cuban people endured brutal food shortages a time of crisis known as the special period the country embarked upon a remarkable collective effort to cope with its dire circumstances and escaped the starvation disease death and violence that often plague poor countries facing similar conditions not only did cuba manage to evade collapse it maintained its high life expectancy low infant mortality and universal access to health and education preserving many of the gains of the revolution at the center of this collective effort were

lifelong revolutionaries like pedro ross construction worker literacy educator and labor activist as head of cuba s labor federation throughout the special period ross developed a nationwide series of labor parliaments which turned the country into an immense school of economics and politics over a 45 day span in 1993 women s rights activists farmers organizations youth movements and academic associations came together for tens of thousands of meetings successfully restored the production cycle and

ultimately revolutionized nearly every aspect of life in cuba singularly positioned to write this seminal account of those days ross has given us a rare moving on the ground account of a society mobilized from below buttressing the revolution when it was under maximum stress
