it could be said that the career of canadian born film director allan dwan 1885 1981 began at the dawn of the american motion picture industry originally a scriptwriter dwan became a director purely by accident even so his creativity and problem solving skills propelled him to the top of his

profession he achieved success with numerous silent film performers most spectacularly with douglas fairbanks sr and gloria swanson and later with such legendary stars as shirley temple and john wayne though his star waned in the sound era dwan managed to survive through pluck and ingenuity considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably republic pictures sands of iwo jima and such independent producers as edward small along the way dwan also found personal happiness in an unconventional manner rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough

examination of allan dwan and separates myth from truth in his life and films

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

thomas hahn's work laid the foundations for medieval romance studies to embrace the study of alterity and hybridity within middle english literature his contributions to scholarship brought robin hood studies

into the critical mainstream normalized the study of historically marginalized literature and peoples and encouraged scholars to view medieval readers as actively encountering others and exploring themselves this volume employs his methodologies careful attention to texts and their contexts cross cultural readings and theoretically informed analysis to highlight the literary culture of late medieval england afresh addressing long established canonical works such as chaucer christine de pizan and malory alongside understudied traditions and manuscripts this book will be of interest to literary scholars of the later middle ages who like hahn work across boundaries of genre tradition and chronology

the international success of *Downton Abbey* has led to a revived interest in period dramas with older programs like the *Forsyte Saga* being rediscovered by a new generation of fans whose tastes also include grittier fare like *Ripper Street* though often criticized as a form of escapist conservative nostalgia these shows can also provide a lens to examine the class and gender politics of both the past and present in *Upstairs and Downstairs* *British Costume Drama* television from the *Forsyte Saga* to *Downton Abbey* *James Leggott* and *Julie Anne Taddeo* provide a collection of essays that analyze key developments in the history of period dramas from the late 1960s to the present day contributors explore such issues as how the genre fulfills and disrupts notions of quality television

the process of adaptation the relationship between UK and US television and the connection between the period drama and wider developments in TV and popular culture additional essays examine how fans shape the content and reception of these dramas and how the genre has articulated or generated debates about gender sexuality and class in addition to *Downton Abbey* and *Upstairs Downstairs* other programs discussed in this collection include *Call the Midwife* *Danger UXB* *Mr Selfridge* *Parade's End* *Piece of Cake* and *Poldark* tracing the lineage of costume drama from landmark productions of the late 1960s and 1970s to some of the most talked about productions of recent years *Upstairs and Downstairs* will be of value to students teachers and researchers in the

the last twenty four hours before a heist take forever you are ready you can't wait you are already thinking about the money it's a kind of high that programs your mind you are excited you just want to get it done that moment when there is no turning back when it is about to go down all your senses come alive your eyes everything comes alive it's extreme like a phenomenal rush of ecstasy it's the thing that makes you want to do it again from the horror of the 2006 *Villa Nora* heist where four security guards were burnt alive in their armoured vehicle after a ferocious fight back against highly trained mercenaries to the 2016 robbery of a cash centre in

witbank where a gang made off with almost r104 million after impersonating police officers heist is an impeccably researched exposé of an endemic crime phenomenon that some analysts warn could bring south africa to its knees using the information gleaned from thousands of pages of court documents and press reports as well as interviews with scores of police officers crime intelligence agents prosecutors defence lawyers researchers journalists security guards and the criminals themselves heist provides an unprecedented insight into a crime that has increased by a staggering 49 per cent in the first eight months of 2017 alone as informative and thought provoking as it is distressing this is a book by an investigative journalist at the top of her game

this volume examines the key representations of transgression drama produced between 480 b c and 1600 arranged in chronological order the entries consist of plot summary often including significant dialogue performance data if available opinions by critics and scholars and other features the plays covered in this volume will include the great ancient greek and roman tragedies fifteenth century passion plays and dramas by christopher marlowe and william shakespeare

the succession to the throne lisa hopkins argues here was a burning topic not only in the final years of elizabeth but well into the 1630s with continuing questions about how james s two kingdoms might be ruled after his death because the issue with its

attendant constitutional questions was so politically sensitive hopkins contends that drama with its riddled identities oblique relationship to reality and inherent blurring of the extent to which the situation it dramatizes is indicative or particular offered a crucial forum for the discussion hopkins analyzes some of the ways in which the dramatic works of the time by marlowe shakespeare webster and ford among others reflect negotiate and dream the issue of the succession to the throne

those tales of old king arthur robin hood the crusades marco polo joan of arc have been told and retold and the tradition of their telling has been gloriously upheld by filmmaking from its very inception from the earliest of georges melies s films in 1897 to a 1996 animated hunchback

of notre dame film has offered not just fantasy but exploration of these roles so vital to the modern psyche st joan has undergone the transition from peasant girl to self assured saint and camelot has transcended the soundstage to evoke the kennedys in the white house here is the first comprehensive survey of more than 900 cinematic depictions of the european middle ages date of production country of origin director production company cast and a synopsis and commentary a bibliography index and over 100 stills complete this remarkable work

imagining the middle ages is an unprecedented examination of the historical content of films depicting the medieval period from the 11th to the

15th centuries historians increasingly feel the need to weigh in on popular depictions of the past since so much of the public s knowledge of history comes from popular mediums aberth dissects how each film interpreted the period offering estimations of the historical accuracy of the works and demonstrating how they project their own contemporary era s obsessions and fears onto the past

this book examines the pervading influence of medieval culture through an exploration of the intersections between tourism heritage and imaginaries of the medieval in the media drawing on examples from tourist destinations heritage sites fictional literature television and cinema the book illustrates how the

medieval period has consistently captured the imagination of audiences and has been reinvented for contemporary tastes chapters present a range of international examples from nineteenth century victorian notions of chivalry knights in shining armour exemplified by king arthur and damsels in distress to the imagining of the japanese samurai as medieval knights other topics explored include the changing representations of medieval women the crusades and the vikings and the challenges faced by medieval cathedrals to survive economically and socially this book offers multidisciplinary perspectives and will appeal to scholars and students across a variety of disciplines such as cultural studies history tourism heritage studies historical geography and sociology
