in 2015 the european union is not going well but does this mean that europe is not going well more and more citizens of the european states make it very clear that they have another opinion about political participation as just to confer to the leaders of political parties a procedural legitimacy considering the epochal challenges e g the migration from africa and the simultaneously increasing credibility deficit the political establishment becomes ever more alienated from the citizens when staging europe events without taking the european civil societies seriously as political partners the present contributions have the intention to examine the situation of national civil societies in europe and if one can speak of a comprehensive european civil society im jahr 2015 geht es der europäischen union schlecht aber geht es deshalb europa schlecht die bürger der europäischen staaten machen

zunehmend deutlich dass sie ihre politische mitwirkung anders verstehen als dem führungspersonal der parteien eine prozedurale legitimität zu verleihen angesichts epochaler herausforderungen z b die migration aus afrika bei einem gleichzeitig wachsenden glaubwürdigkeitsdefizit entfremdet es die politische ebene noch mehr von den bürgern wenn europa events inszeniert werden ohne die bürgergesellschaften politisch ernst zu nehmen die vorliegenden beiträge haben das ziel zu prüfen wie es um die nationalen bürgergesellschaften europas bestellt ist und ob von einer übergreifenden europäischen bürgergesellschaft gesprochen werden kann

in may 1997 the then uk foreign secretary robin cook famously said that foreign policy should have an ethical dimension and that the labour government would put human rights at the heart of foreign policy although not described in these terms these assertions were an attempt to articulate a progressive conception of foreign policy for the uk but how does the foreign policy record of the labour government stand when set against these declared principles what role have ethics really played in labour s foreign policy why has labour been so

interventionist from kosovo to iraq what does this record tell us about the limits and the possibilities of progressive foreign policy what does it tell us about the strengths and failures of labour s foreign policy this timely book published in association with the institute for public policy research and the centre for global governance at the lse addresses these questions and provides an appraisal of labour s record in power however the book also looks forward it provides a novel assessment of the international trends that will shape the global context of uk foreign policy the contributors set out new perspectives and policy options in respect of international security democracy justice human rights and sustainability in addition the book offers fresh thinking on the uk s relationship with key countries and regions from the us to europe from the middle east to china moreover it suggests a radical new approach to global governance and to the way in which the uk makes and implements foreign policy at a time of real flux in uk domestic politics and of rapid change in international politics this book is an indispensable guide to the uk s foreign policy options and to the prospects and possibilities of a more values driven and effective uk foreign policy

this thesis explores the problem of exploiting the parallelism available in emerging multiprocessor architectures ellis contends that high quality compilers can be written for vliw very long instruction word computers these machines drive

multiple parallel riscs reduced instruction set computers with a single instruction stream each instruction is long enough to command all of the riscs at once exploiting the parallelism in vliw machines can be difficult so ellis developed a compiler bulldog that incorporates a number of optimizations it uses trace scheduling to find more parallelism memory reference and memory bank disambiguation to increase memory bandwidth and a new code generation algorithms

on the basis of extensive manuscript study goffart disentangles the order of composition and authoritatively pronounces on the authenticity of the eighty four le mans charters most of all he insists that the forgeries are an essay on church property and its law

the civil war is a much plumbed area of scholarship so much so that at times it seems there is no further work to be done in the field however the experience of children and youth during that tumultuous time remains a relatively unexplored facet of the conflict children and youth during the civil war era seeks a deeper investigation into the historical record by and giving voice and context to their struggles and victories during this critical period in american history prominent historians and rising scholars explore issues important to both the civil war era and to the history of children and youth including the experience of orphans drummer boys and young soldiers on the front lines and even the impact of the war on the games children played in this collection each essay places the history of children and youth in the context of the sectional conflict while in turn shedding new light on the sectional conflict by viewing it through the lens of children and youth a much needed multi faceted historical account children and youth during the civil war era touches on some of

the most important historiographical issues with which historians of children and youth and of the civil war home front have grappled over the last few years
