the devastating impact of alcohol on indigenous populations is well known but debate often overlooks the broad context of the problem and the priorities of indigenous people themselves this book was written with the desire to improve the level of informed debate and lead to constructive action it aims to provide readers with a coherent explanation of alcohol misuse among indigenous peoples in australia new zealand and canada the extensive health economic social and cultural consequences of misuse are described in the words of the indigenous people themselves the book found that patterns of indigenous alcohol consumption could not be understood in isolation from the impact of european colonialism and its continuing consequences its authors argue that our understanding of alcohol misuse needs to be reconceptualised and structural inequalities addressed

selected by choice magazine as an outstanding academic title the period of prohibition from 1919 to 1933 marks the fault line between the cultures of victorian and modern america in domesticating drink murdock argues that the debates surrounding alcohol also marked a divide

along gender lines for much of early american history men generally did the drinking and women and children were frequently the victims of alcohol associated violence and abuse as a result women stood at the fore of the temperance and prohibition movements and as murdock explains effectively used the fight against drunkenness as a route toward political empowerment and participation at the same time respectable women drank at home in a pattern of moderation at odds with contemporaneous male alcohol abuse during the 1920s with federal prohibition a reality many women began to assert their hard won sense of freedom by becoming social drinkers in places other than the home murdock s study of how this development took place broadens our understanding of the social and cultural history of alcohol and the various issues that surround it as alcohol continues to spark debate about behaviors attitudes and gender roles domesticating drink provides valuable historical context and important lessons for understanding and responding to the evolving use and abuse of drink

as unemployment becomes an issue on every graduate s and career changer s mind apprenticeships are becoming the most legitimate and popular routes into work but how do you choose the apprenticeship that s right for you and for parents how do you support and guide your child into the best possible career path apprenticeships uses friendly and jargon free language to answer all of those questions and more based on real life experiences and insider knowledge it dispels common misconceptions helps you assess all the alternatives provides self

assessment questionnaires and practical guidance on the application process for both school leavers and adult learners this is the only resource you ll need to make an informed decision with information on funding your rights developing skills as well as information on key national and regional learning providers apprenticeships will give you the confidence and knowledge to pursue your chosen career and compete with other candidates

what is leadership dr richard berry presents a thought provoking depiction of current leadership theories as myths because of the effort to exclude or conceal the meaning and value of emotion this would suggest that current leadership theory is incomplete due not only to the absence of emotions but independent thought and intuition as well lieutenant colonel allen west a husband father of two and a military officer with an impeccable service record including a previous award for valor had his military career ended prematurely when he undertook extraordinary measures to protect the lives of his men he was serving in tikrit iraq the home of the late sadaam hussein and dead center of what we all know today as the sunni triangle he was not wounded killed in action or taken prisoner but instead charged with felony offenses by the united states army for mistreating an iraqi detainee who was believed to have information that was going to kill american soldiers this book documents what the effects of leadership can be when the power of the human spirit is allowed to flourish at the individual group and organizational levels

this is the first book to focus on the interrelated

issues of social control and disorder in football it shows how the beautiful game illuminates our understanding of the mechanisms and techniques of social control and regulation in contemporary societies it explores past new and continued responses from law enforcers football associations sport s governing bodies the media and international organizations to issues of disorder and misbehaviour in football and how this is highly contested by fans and fan groups featuring the work of an international team of leading researchers in football and sport related studies the book examines key contemporary trends and topics including fan activism football specific legislation power violence fan rivalries subcultures the policing of crowds social sorting and surveillance featuring diverse international cases including the qatar world cup stadium protests in portland oregon spectator violence in polish football social media and brazilian football and sectarianism in scottish football the book also looks ahead to what the future holds for the world s most popular sport this is an invaluable resource for students researchers or the general reader with an interest in the sociology of sport criminology sport management and sports law

a pictorial history of Canberra and a timely resource for those interested in discovering the

origins of our federal capital this book covers the aboriginal history the establishment of early settlement in the district the birth of the city and the growth and development of australia s centre of national government

since the first europeans settled in north america much of american life and politics have happened around the tavern readers will appreciate this in depth analysis of the tavern and its influence on american life and society throughout history from public houses in puritan new england to gilded age saloons and on to the modern sports bar drinking establishments have had a significant and lasting presence in american life this book analyzes the role of drinking establishments throughout american history through an examination of their unique interior spaces the book considers the objects that define the space and the customers who give the space relevance and provides an overview of the space throughout history showing how the physical attributes of the tavern and its role within society have changed over time this work will consider the tavern from the perspective of the tavern keeper as well as the patrons and will show how drinking establishments have found a permanent home within american life

fairfax media australia

the marrakech travel guide is the most up to date
reliable and complete guide to the red city
travelers will find everything they need for an
unforgettable visit presented in a convenient and
easy to use format includes quick information on
planning a visit navigating the city experiencing
moroccan culture and exploring the beauty of
marrakech marrakesh a former imperial city in

western morocco is a major economic center and
home to mosques palaces and gardens the medina
is a densely packed walled medieval city dating to
the berber empire with mazelike alleys where
thriving souks marketplaces sell traditional
textiles pottery and jewelry a symbol of the city
and visible for miles is the moorish minaret of
12th century koutoubia mosque

describes 250 occupations which cover
approximately 107 million jobs

a majestic saga and thoughtful narrative
recounting a family s epic struggle this novel
weaves together extraordinary characters
bursting with richness feeling and dimension the
story of chin govender s family is blended into
the rich cultural tapestry of indian life and the
intricacies of close communities that form the
backdrop for this amazing tale painting an
evocative portrait of five generations of
descendants of former indentured indian laborers
and their struggle to build an identity in an
emerging south africa
