big successes at work are the
result of a cumulation of small
everyday choices you can choose
to be great here s how

reader you may wonder is this a
science fiction story with
human clones or is this a
spiritual novel related to god
it is both two ets come to

earth for a vacation they analyze and they worry about what is happening on our planet they don't understand why the elite control the lives of people they don't comprehend why ordinary humans so feebly react to that but the beginning of the 21st century was a time of great awakening the pivotal moment was the subtle split of earth's magnetic field it allowed the creation of two densities two worlds follow the thrilling events that lead to that moment read the story of people who softly act and change their worldview read about humans as spiritual beings in a material world those two ets teach them to have a dialogue with the divine self within they help humans to be aware like themselves of being clones of god then they can be empowered and change the world for good with those two

ets and enlightened humans embark on this odyssey
