### XR4115 - Newegg

The XR4115 is a mechless, versatile multi-format digital media receiver that does away with CDs and provides robust connectivity to many of today's most popular portable media devices.

### Dual Xr4115 Digital Media Receiver

Last May, I purchased a Dual XR4115 In-Dash Digital Media Receiver despite its terrible reviews, most which complained about the same issue: after some time, the digital display would go out. However, some people posted that they were able to fix the problem by replacing the backlight LED. With some limited experience replacing soldered components, I bought the stereo at a great price with the
