Tip 1. Start with the unexpected. Gareth Watkins: Start with the unexpected. Think of the opening to Nineteen Eighty-Four, or Iain Banks', The Crow Road, "It was the day my grandmother exploded." Of course, your opening doesn't have to be as outrageous as these, but always aim for the unusual. In other words: think of how people will be expecting the book to start, then take the plot in

Abiogenesis - Wikipedia

The keto diet can be described in many different ways, but the most common definition is that it is a high-fat, low-carb, low-to-moderate protein diet. However, if you don't know what phrases like "high-fat" and "low-carb" mean it is difficult to understand what eating keto actually looks like.

Nice and simple, right? But this is English. And English has a way of bending the rules, so here we go... Another way to start a sentence with because. There is another time when you can start a sentence with “because” and not follow that two clause rule: if you’re using it conversationally to answer a spoken or unspoken “why” question.

In evolutionary biology, abiogenesis, or informally the origin of life (OoL), is the natural process by which life has arisen from non-living matter, such as simple organic compounds. While the details of this process are still unknown, the prevailing scientific hypothesis is that the transition from non-living to living entities was not a single event, but an evolutionary process of
