Britishers who founded white settlements in Kenya: hardworking, determined to wrest a coffee crop from East Africa's fertile soil, he is also arrogantly ignorant of the ancient traditions of the natives who call their home Kikuyuland.

Green City in the Sun Summary - eNotes.com

"Green City In The Sun" is an epic story of the birth of a nation: Kenya. With very likable characters, the story evolves around the Trevetons, a family divided by their ambitions. Only one obstacle will make their dreams difficult to fulfill: Mama Wachera who place a curse on the British family and becomes the spiritual leader of her people

The Green City in the Sun Crossword Clue Answers

Nairobi, Kenya is known as the "green city in the sun." The city is built on an interesting mix of rainforest and savannah grasslands sloping southwards with several rivers running through. The built environment may now have covered up most of the original vegetation of the city, but the valleys and hills can still be seen.
