ICOM IC-V8000 Service Manual download, schematics, eeprom

The Icom IC-V8000 looks awesome on paper and in the reviews. I bought one based on paper and reviews. So my feedback to you is what it was like to hook the radio up and try to use it. My first observation was that the programming required me to do a step by step follow-the-page number routine back and forth through the Icom manual. Not intuitive.

Icom IC-V8000 User Manual Plus Service Manual Original

After some internet searches, I came up with what the problem was. It seems that there is a cold solder joint in some of these radios. (The one in the car hasn't been bothered with it) Calling the service department at Icom doesn't seem to get any results other than the offer to fix it at regular service prices. (So I've heard)
