Working at Total Med Solutions: Employee Reviews about

I enjoyed y time with total med solutions but it was time for me to advance in my career. Very diverse culture and somewhat unsteady management. If you have medical qualifications it is a good job for the cosmetic industry. Was this review helpful?

Cons. I LOVED Medical Staffing Solutions. With the merge to TotalMed, they were a few times it would've been better had there been more proactive communications from TotalMed- especially that the merge was happening and that our insurance company was changing.then the insurance company did a poor job at the start due to computer glitches..that weren't easily fixed.
