If you're looking at a boat in the 18' to 25' range (6.1m - 7.62m) then it's pretty likely that it will have a 5.0 liter engine as its standard power plant. Volvo Penta's 270-hp version of this size engine is very popular, for not only its size, but also its ability to accommodate either the single prop SX drive or the Duoprop drive.
